

DESERT CHALLENGE INTERCOLLEGIATE DANCESPORT CHAMPIONSHIPS 2011

Date: April 22 & 23, 2011
Location: Student Union Ballroom
UNLV Campus
4505 S Maryland Pkwy
Deadline: **April 09, 2011** - must be postmarked by this date

This is the 21st Annual Desert Challenge Intercollegiate Dancesport Championships. As an intercollegiate event, we expect that all of the competitors will be students of a university, state college, community college or technical academy. Please contact the organizer with any questions regarding this. We look forward to seeing you in April!

SYLLABUS LEVEL:

The single dance American & International events are closed syllabus events. Material used should be based on an NDCA or USA Dance recognized syllabus. International is restricted to ISTD syllabus. No continuity styling in the American Bronze level. No open work in the syllabus level events, events will be invigilated. Coaches, please insure that your students adhere to this.

For this competition, Newcomer is defined as someone who has never competed and has been dancing less than twelve(12) months. Both members of the partnership must meet these guidelines.

Due to time constraints, competitors may dance only one level in all events. American Smooth, American Rhythm, International Standard and International Latin are all considered separate syllabi, therefore, dancers may be at different levels for each.

The organizers reserve the right to cancel events with fewer than four(4) couples entered.

TEAM MATCH:

Two Team Matches will be offered at no charge - both an American Style and International Style. These teams may be integrated for additional fun, please be prepared!

FORMATION TEAMS:

Schools may choose to present either a single dance or a medley. The time limit will be six(6) minutes including entrance & exit. Timing will begin when the first team member steps onto the floor and will end when the last team member steps off the floor. **Coaches please note: The time restraints will be strictly enforced, please adhere to it. If you go over the time limit, you will be penalized.** NDCA and USA Dance rules regarding lifts will be followed, no lifts are allowed in the body of the routine - only in the entrance and/or exit. The single dance routines will be judged independently of the medleys. *Please include a list of your team members with your entry.*

Schools may compete multiple teams provided the following guidelines are adhered to:

1. These must be separate and distinct teams
2. They must perform separate and distinct routines
3. There must be no duplication of members between the teams

Schools may wish to offer one exhibition routine. They should fill out an additional entry form, indicate it is an exhibition, and forward it with an additional \$40.00 payment.

Our sound system will accommodate compact disc. If you wish to use a different media, please contact the organizer prior to April 01, 2011. Please be sure to bring a backup copy of your music.

Teams may have ten(10) minutes to mark their routines in the ballroom during registration or the dinner break. Schools will be accommodated on a first come, first serve basis. Please phone the organizer with your time request. (Phone (702) 658-0013)
